My dear Mr. Noe,

The decree 1247 of August 6, 1930, of Colombia, about which you ask in your letter of yesterday, was published in the Diario Oficial, Bogotá, issue for August 25, 1930, pages 415-416.

It will be necessary to have a photo-static copy made for you and it occurs to me that as the charges for such copies in New York are much less than in Washington you may desire to have the work done there. My understanding is that the New York Public Library has a file of the official newspapers of the Latin American countries and if this is the case you can no doubt readily locate this particular issue in that library.

However, if you cannot locate it in New York, let me know and I will be greatly pleased to have it made for you.

Assuring you of the pleasure it gives me to have the library of this office render you any service, I am,

Very truly yours,

Chas. E. Babcock
